Rates for dependents

If you have dependents, you'll need to find the rates for their ages and add them to your rate to get your family's total monthly premium. Your first three children aged 0-20 each will be charged the appropriate age band rate. There's no charge for additional children aged 0-20. Each child older than age 20 will be charged the rate applicable to his or her individual age.

Smoker rates

These apply to individuals age 21 and older, who have used tobacco or nicotine products regularly within the last six months. Regular tobacco use is defined as four or more times per week. Excludes religious or ceremonial use and the use of e-cigarettes.
