

Take action for a healthy 2018

Thank you for partnering with Kaiser Permanente in 2017. We look forward to helping you find the right plan to stay your healthiest in the year ahead.

Time to choose your plan

It's time to think about your health care and coverage for next year. You've got some great options to choose from, and now is a good time to get started.

Your Access PPO Bronze HSA plan will not be offered in 2018 and your coverage ends Dec. 31, 2017.

That means you will need to enroll in a new plan by Dec. 15, 2017 to make sure you're covered starting Jan. 1, 2018.

See the details about these changes in the enclosed letter.

What you need to do next

Connect to the health care and services you rely on – from one of the largest multi-specialty groups in the state – by choosing one of our Core network plans.

Kaiser Permanente Core network plans bring together competitive prices with high-quality care. With these plans, you can:

- Choose a primary care doctor to coordinate your care. Washington Permanente Medical Group is the highest-ranked medical group in Washington state.¹ You can also change your primary care doctor anytime for any reason.
- Get in-network care from Kaiser Permanente providers in any of our 8 regions in the United States. Plus you're covered for emergency care worldwide.
- Sign on to your online account to see test results, order prescriptions, and even email your doctor for non-urgent issues when you get care at Kaiser Permanente medical offices. You can also check your coverage or pay bills.

NEXT STEPS

Open Enrollment for 2018 is Nov. 1, 2017 - Jan. 15, 2018. For coverage starting Jan. 1, 2018, apply by Dec. 15, 2017.
